I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: After trying many HRT's I found
a compounded prescription for my special
needs. It has made a huge difference
in my life. I would truly miss
this prescription. As far as I know
this prescription is not available in my
state.
